**WHERE THE PEOPLE GOT IN**  
Former Governor Folk made the hit at the Democratic conference. The reason is plain. Men can only stand so much of merry-making of the cut and dried sort. Beyond a certain point it gets on the nerves. Being told to play the harmony game by dodging the things the people are thinking and talking about doesn't make men very cheerful.  
Folk afforded relief. He took a man's hand in the game. That was the people's hand. He applied the Square Deal principle to the issue between the state and its special privilege grabbers as well as to the issue between the Nation and special privilege. That was a touch of reality, and the delegates cheered. They could not help it if they wanted to. The cheer was spontaneous. It was the voice of the people breaking into the conference.—Kansas City Times.

Monett People Are Doing All They Can For Fellow Sufferers  
Monett testimony has been published to prove the merit of Doan's Kidney Pills to others in Monett who suffer from bad backs and kidney ills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Monett people saying that the cures they told of years ago were permanent. Here's a Monett case:  
J. W. Snyder, Harvey House, Monett, Mo., says: "I was a victim of kidney complaint for at least ten years and my back was lame and painful. The kidney secretions at times became too frequent in passage and dizzy spells and headaches were common. About four years ago, when suffering in that way I began using Doan's Kidney Pills, procured at Knapp's Drug Store, and before long I was completely cured."  
The above statement was given in December 1906 and was confirmed by Mr. Snyder on Dec. 9, 1908. He said: "I can still recommend Doan's Kidney Pills highly, although two years have passed since I used them. I cannot say too much in favor of this excellent remedy."  
For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

"On October 18th, last my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well. I am glad and proud, and when I am able to this splendid medicine. **MONUMENTAL TALKS.**  
The agent for non-resident firms tells you what bargains he is furnishing in monuments; how in some way he is saving a deal of freight selling work a wholesale, owning large manufacturing plants, and possibly owns a quarry or two.  
But possibly he forgets to tell you what commission or salary he is getting for selling work, what his traveling expenses are per month; also that he would be of no use to the firm he works for unless he made them a profit in addition to these extra expenses; that in any saving of freight or some other expense it is the local dealer who has the advantage; that the best satisfaction and best terms in buying monuments are obtained from buying direct from some reliable dealer and not through agents; that the best work is not obtained from the "cheap John" talker, and cheap work is dear at any price.  
We do not employ agents. Cramer's monuments are dependable in every way. Give us a chance to show you what he can do, then if for any reason you do not think to your best interests to patronize the home dealer we will be glad to give you the names of other reliable dealers. It is not necessary to buy through agents and pay the extra salary or commission.
